II. SHARE CAPITAL AND SHARES

Article 4

Share capital, registered shares

- (1) The share capital amounts to EUR 32,669,000.00 (in words: thirty-two million six hundred sixty-nine thousand euros). It is divided into 32,669,000 no-par value shares.
- (2) The shareholder's right to the issuance of share certificates representing its respective shares is excluded unless such issuance is required in accordance with the rules applicable at a stock exchange where the shares are admitted to trading.
- (3) The shares are registered shares. The shareholders must provide the Company with the legally mandated information for entry into the share register. If, in the event of a capital increase, the resolution on the capital increase does not determine whether the new shares will be bearer shares or registered shares, they will be registered shares.
- (4) In the event of a capital increase, the participation in profits of the new shares can be determined in deviation from Section 60 (2) of the German Stock Corporation Act (Aktien-gesetz, "AktG").
- (5) The Board of Directors is authorised, with the consent of the Supervisory Board, to increase the company's share capital until the end of 23 May 2027 by a total amount of up to Euro 16,334,500.00 by issuing a total of up to 16,334,500 new registered no-par value shares with a proportionate interest

in the share capital of Euro 1.00 each against contributions in cash and/or in kind (Authorised Capital 2022). The authorisation may be used once or several times, in the total amount or in partial amounts thereof. The new shares will participate in profits from the beginning of the fiscal year in which they are issued. To the extent permitted by law, the Board of Directors, subject to the consent of the Supervisory Board, can stipulate in deviation from the above and Section 60 (2) AktG that the new shares participate in profits from the beginning of a fiscal year that has already ended and for which no resolution on the appropriation of profits has been adopted by the General Meeting at the time the shares are issued.

In principle, the new no-par value shares must be offered to the shareholders for subscription. The new shares may also be acquired by one or several financial institution(s) or enterprise(s) within the meaning of Section 186 (5) sentence 1 AktG determined by the Board of Directors with the obligation to offer the shares to the shareholders for subscription (indirect subscription right).

The Board of Directors is authorised, however, with the consent of the Supervisory Board, to exclude the shareholders' subscription rights

1. in the case of a capital increase against contributions in cash: if the issue price of the new shares, which is to be determined as close to the placement date of the new no-par value shares as possible, is not significantly (within the meaning

of Section 203 (1) and (2), Section 186 (3) sentence 4 AktG) below the stock exchange price of the company's already listed shares of the same class and carrying the same rights (Aktien gleicher Gattung und Ausstattung) at the time of the final determination of the issue price. This exclusion of the subscription rights must not exceed in total the equivalent of 10% of the company's existing share capital, with the lowest amount of the company's existing share capital at the following three moments in time being decisive: on 24 May 2022, at the time this authorisation becomes effective or at the time it is exercised; the sale of treasury shares must be reflected in this limitation provided that the sale occurs during the term of this authorisation subject to exclusion of subscription rights in analogous application of Section 186 (3) sentence 4 AktG; in addition, shares must be reflected in this limitation that are to be, or can be, issued to fulfil conversion or option rights, or conversion or option obligations, under bonds or profit participation rights provided that the bonds or profit participation rights are issued during the term of this authorisation subject to exclusion of subscription rights in analogous application of Section 186 (3) sentence 4 AktG;

2. in order to use the new shares, with the consent of the Supervisory Board, for the benefit of individuals who are or were employed by the company or any of its group companies within the meaning of Section 18 AktG, and for the benefit of members of the corporate bodies of such group companies, provided that the employment contract, service agreement or membership on the corporate body exists in any case at the

time of the offer or commitment. The Board of Directors will determine any further details of any commitments and transfers, including any direct consideration, any eligibility criteria and expiry or settlement arrangements, particularly for special cases such as retirement, incapacity for work or death;

3. in cases of capital increases against contributions in kind, in particular in order to be able to offer the new shares to third parties in connection with the (direct or indirect) acquisition of assets or rights to acquire assets, including receivables from the company or its group companies;

4. to the extent that it is necessary in order to grant holders or creditors of convertible bonds and/or bonds with warrants or profit participation rights that have been or will be issued by the company or by its direct or indirect group companies a conversion or subscription right to new shares in the scope to which they would be entitled after having exercised their conversion or option right or after having fulfilled the conversion or option obligation;

5. in order to exclude fractional amounts from subscription rights.

The total of (i) the shares that are to be issued from contingent capital under Bonds under the authorisation granted by an Annual General Meeting of the Company to this end subject to exclusion of subscription rights and (ii) the shares that are issued during the term of this authorisation from Authorised

Capital 2022 subject to exclusion of subscription rights must not exceed a pro-rated amount of the share capital of Euro 3,266,900.00 (at the time of authorisation, this equates to 10% of the share capital amounting to Euro 32,669,000.00).

In addition, the pro-rated amount of the share capital of the shares issued from Authorised Capital 2022 for the purposes of an employee share plan must not exceed 5% of the share capital, with the lowest amount of the company's existing share capital the following three moments in time being decisive: on 24 May 2022, at the time this authorisation becomes effective or at the time it is exercised. The aforementioned amount of 5% of the share capital must reflect the pro-rated amount of the share capital that is attributable to treasury shares used or sold during the term of this authorisation based on a corresponding authorisation to use treasury shares for the purposes of an employee share plan or the compensation for members of the Board of Directors pursuant to Section 71 (1) no. 8 AktG.

The Board of Directors is authorised, with the consent of the Supervisory Board, to determine the further content of the rights attached to the shares and the conditions for the share issue when implementing capital increases from the Authorised Capital 2022, in particular the issue price.

The Supervisory Board is authorised to amend the Articles of Association after the full or partial implementation of the increase in the share capital using the Authorised Capital 2022 and following expiry of the term of authorisation.

(6) The Company's share capital shall be the subject of a contingent increase by up to Euro 16,334,500.00, divided into as many as 16,334,500 registered (no-par-value) shares (Contingent Capital 2022). The contingent capital increase can be carried out to the extent only that holders of option exercise and/or conversion rights or those with obligations exercise options and/or convert profit-sharing rights and/or participating bonds (or combinations of these instruments) that are issued by the Company or a Group company as defined by Section 18 AktG in which the Company directly or indirectly holds at least 90% of the votes and of the capital on the basis of the authorization granted at the Annual General Meeting on 24 May 2022 make use of the option exercise or conversion rights, or so far as they are obliged to exercise the option or convert, fulfil their obligation to exercise the option or convert or so far as the Company exercises its right under such instruments either entirely or partially to grant shares in the Company instead of paying the cash amount due and provided no other forms of fulfilment are used. The issue of the new shares shall, in accordance with the authorization described above, take place at the respective option exercise or conversion price.

The new shares shall participate in profit from the beginning of the financial year in which they are issued. So far as legally permitted, the Board of Directors may, with the Supervisory Board's approval, deviate from this by determining that new shares participate in the profit from the beginning of the financial year for which, at the time of exercise of option or conversion rights or fulfilment of option exercise and/or conversion

obligations, no resolution on the use of the distributable profit has yet been taken at the Annual General Meeting.

The Board of Directors is authorized, with the consent of the Supervisory Board, to determine the further details concerning the implementation of the contingent capital increase.

III. THE BOARD OF DIRECTORS

Article 5 Composition

- (1) The Board of Directors has at least two members.
- (2) The Supervisory Board appoints the members of the Board of Directors and determines the number of members. It may appoint deputy members of the Board of Directors. The Supervisory Board may appoint a member of the Board of Directors as chairman of the Board of Directors and another member as deputy chairman. If the chairman is absent, he/she will be represented by the deputy chairman.
- (3) The resolutions of the Board of Directors are passed by a simple majority vote of the members of the Board of Directors participating in the passing of the resolution. In the event of a tied vote, the chairman casts the deciding vote unless the Board of Directors only comprises two members.

Article 6 Legal representation

- (1) The company is legally represented by two members of the Board of Directors or by one member of the Board of Directors acting jointly with a holder of a general power of attorney (Prokurist).
- (2) Deputy members of the Board of Directors have the same power of representation as regular members of the Board of Directors.
- (3) The Supervisory Board may exempt all or individual members of the Board of Directors from the limitations on multiple representation (Section 181 2nd alt. of the German Civil Code (Bürgerliches Gesetzbuch, "BGB").

IV. THE SUPERVISORY BOARD

Article 7

Composition, election and term of office

- (1) The Supervisory Board has 12 members, six of which are elected by the General Meeting (shareholder representatives) and six of which are elected by the employees (employee representatives) in accordance with the German Co-Determination Act of 4 May 1976 (Mitbestimmungsgesetz, "MitbestG"). The term of office of the Supervisory Board members ends at the close of the General Meeting resolving on the approval of their acts (Entlastung) for the fourth financial year after the commencement of their term of office. For this purpose, the financial year in which the term of office commences will not be counted. The General Meeting may specify a shorter term of office for some or all shareholder representatives when they are elected to the Supervisory Board.
- (2) When electing shareholder representatives to the Supervisory Board or any substitute members, the chairperson of the General Meeting is entitled to take a vote on a list of election proposals submitted by the administration or by shareholders. If substitute members are elected off a list, they will replace any Supervisory Board members representing the shareholders who cease to hold office prior to the end of their term of office in the order of their appointment, provided that no deviating provision is agreed at the time of the appointment. The election of substitute members for the employee representatives on the Supervisory Board is governed by the MitbestG.

- (3) If a Supervisory Board member is elected to replace a member ceasing to hold office, the term of office of that substitute member corresponds to the remainder of the term of office of the member ceasing to hold office. The General Meeting may determine another term of office for the shareholder representatives. If a substitute member replaces a member who ceased to hold office, his/her office will expire, in the event that a new member is elected in the next or next but one General Meeting after the substitution for the member who ceased to hold office, at the close of that General Meeting or otherwise at the end of the remaining term of office of the member who ceased to hold office.
- (4) Any members ceasing to hold office may be re-elected.
- (5) Each Supervisory Board member may resign from office by giving one month's written notice to the Board of Directors, even without cause (ohne wichtigen Grund).
- (6) If a member of the Supervisory Board is elected by an extraordinary General Meeting, his/her first year of office ends with the close of the next Annual General Meeting. In all other respects, section 3 sentences 1 and 2 above shall apply.

Article 8

Chairman

- (1) Following a General Meeting in which all of the Supervisory Board members to be elected by the General Meeting were newly elected, a Supervisory Board meeting not requiring a separate invitation will take place. In this meeting that will be chaired by the most senior shareholder representative (in age), the Supervisory Board shall elect for the term of its office from among its members the chairman of the Supervisory Board and a deputy chairman, subject to the further provisions stipulated in Section 27 MitbestG. The Supervisory Board may, for the term of its office, elect an additional deputy chairman; Section 27 MitbestG does not apply to the election of the latter. If the chairman of the Supervisory Board or the deputy chairman cease to hold office before the end of his/her term, the Supervisory Board shall elect a substitute without undue delay.
- (2) A deputy chairman of the Supervisory Board will only assume the legal and statutory rights and duties of the chairman if the latter is not available. Section 29 (2) sentence 3 and Section 31 (4) sentence 3 MitbestG remain unaffected.

Article 9
Convening notice, quorum, vote

- (1) The meetings of the Supervisory Board will be convened by the chairman, and if the latter is not available by the deputy chairman, by giving at least two weeks' prior notice; the chairman of the Supervisory Board also determines the form of the meetings. The notice period may be shortened in cases of urgency. Notice of meetings may be given in writing, or teletyped (via telex, telefax or email), orally or by telephone. In all other respects, statutory provisions as well as the provisions of the rules of procedure for the Supervisory Board apply regarding the convening of Supervisory Board meeting.
- (2) As a general rule, the meetings of the Supervisory Board are held as in-person meetings, but may also be conducted, including the passing of a resolution, by video conference or conference call. The Supervisory Board has a quorum if, following a proper calling of the meeting in accordance with the requirements in the Articles of Association, at least half of the total number of members of whom it is to consist participates in the passing of a resolution either personally or by submitting written votes. A member is also deemed to be participating in the passing of a resolution if such member abstains from voting. The chairman of the Supervisory Board or the deputy chairman chairs the meetings. The manner of voting is determined by the chairman of the meeting. Supervisory Board members not attending the meeting may participate in the passing of resolutions by the Supervisory Board and its committees by
 - arranging to have their votes submitted in writing (including as a scanned document by email or telefax).
 - (3) Resolutions in respect of agenda items which have not been communicated in the convening notice may only be passed if no Supervisory Board member objects. In such a case, absent Supervisory Board members must be given the opportunity to object to the resolution within a reasonable period to be determined by the chairman, or to cast their vote in writing. The resolution only becomes effective if the absent members of the Supervisory Board have not objected to the resolution within the above period.
 - (4) Resolutions may also be passed by votes made in writing, or teletyped (via telex, telefax or email) or by telephone (by telephone call or via video conference) without convening a meeting if so ordered by the chairman of the Supervisory Board or the deputy chairman. This applies also to the repeated vote pursuant to Section 29 (2) sentence 1 and Section 31 (4) sentence 1 MitbestG.
 - (5) The resolutions of the Supervisory Board are passed by a simple majority vote, unless provided otherwise by law. In this regard, abstentions will not be deemed a vote cast. A proportionate majority is sufficient for the purpose of elections. In the event of a tie, the chairman of the Supervisory Board has the casting vote subject to the provisions of Section 29 (2) and Section 31 (4) MitbestG; a repeated vote within the meaning of these provisions may be requested by any Supervisory Board member.
- (6) If not, all Supervisory Board members are present for the passing of a resolution and if the absent Supervisory Board members have not submitted written votes, the passing of the resolution will be postponed on a motion by at least two Supervisory Board members present at the meeting. In the event of a postponement, the resolution is to be voted on again at the next regularly scheduled meeting of the Supervisory Board, unless a special meeting of the Supervisory Board is convened. When voting on the passing of the resolution for a second time, an additional minority request for postponement is not permitted.
- (7) If the chairman of the Supervisory Board participates in the meeting or if a Supervisory Board member present at the meeting has the chairman's written vote in his/ her possession, section (6) above does not apply if an equal number of shareholder and employee representatives is present in person or participates in the passing of the resolution by submitting votes in writing or if any inequality is offset by individual Supervisory Board members not participating in the passing of the resolution.
- (8) The Supervisory Board may form from among its members a Chairman's Committee or one or several other committees; Section 27 (3) MitbestG remains unaffected. The Supervisory Board determines the tasks, powers and procedures of the committees. To the extent permitted by law, the decision-making powers of the Supervisory Board may also be delegated to the committees. For committee resolutions, Article 9 sections

(4) and (5) apply unless mandatory law provides otherwise; Article 9 sections (6) and (7) are not applicable.

(9) Members of the Board of Directors may participate in the meetings of the Supervisory Board in an advisory capacity, other than in exceptional cases due to the handling of private matters affecting a member of the Supervisory Board or of the Board of Directors or if the Supervisory Board resolves to hold a meeting without any member of the Board of Directors participating.

(10) Declarations of intent of the Supervisory Board and its committees will be made by the chairman or the deputy chairman.

Article 10

Rules of procedure for the Board of Directors

The Supervisory Board may adopt, amend or revoke rules of procedure for the Board of Directors. The Supervisory Board has to determine in the rules of procedure for the Board of Directors or by resolution that specific types of transactions may be entered into only with the consent of the Supervisory Board.

Article 11

(2) If a Supervisory Board member intends to disclose information to a third party, which has become known to him/her in his/her capacity as Supervisory Board member, the member is obliged to notify the chairman of the Supervisory Board in advance, to the extent that such disclosure is not obviously permitted.

(3) Each Supervisory Board member is authorized to inspect the audit reports and reports of the Board of Directors to the Supervisory Board. The reports will not be handed over to the Supervisory Board members pursuant to Section 90 (5) sentence 2, Section 170 (3) sentence 2 AktG, unless otherwise determined by the Supervisory Board in the individual case.

Article 12

Compensation of the Supervisory Board

(1) Each Supervisory Board member will receive fixed remuneration (basic remuneration) of EUR 85,000.00 per year. The basic remuneration for the chairman of the Supervisory Board amounts to twice the amount stated in sentence 1 and for each of the deputy chairmen to 1.5 times that amount. In addition to the basic remuneration, each member of the Supervisory Board (i) who is the chairman of one of the committees of the Supervisory Board receives an annual amount of EUR 16,000.00 for his/her service on the respective committee, (ii) who is the deputy chairman of one of the committees of the Supervisory Board receives an annual amount of EUR 12,000.00 for his/her service on the respective committee and (iii) who is another member of a committee of the Supervisory Board receives an annual amount of EUR 8,000.00 for his/her service on the respective committee, provided that the chairmanship, the deputy chairmanship and the membership in the mediation committee (Vermittlungsausschuss) formed pursuant to Section 27 (3) MitbestG will not be taken into account. When calculating the additional payments for committee activities in accordance with the preceding sentence, only committees will be taken into account that have held at least one meeting in the relevant financial year.

- (2) Members of the Supervisory Board who have been a member of the Supervisory Board and/or of a committee or who have performed a specific function on the Supervisory Board or a committee only for part of the financial year are paid the respective remuneration on a pro rata basis for their respective membership and/or duration of service in the entire financial year.
- (3) For participation in a meeting of the Supervisory Board or the Audit Committee – regardless of whether physically in person, by telephone or other means, but not when participating just in the voting – each Supervisory Board member shall in addition receive an attendance fee in the amount of EUR 1,000.00 per meeting, with a maximum of ten meetings per financial year and Supervisory Board member being remunerated. If several meetings are held on one day, attendance fee will only be paid once.
- (4) The Supervisory Board members will furthermore be reimbursed for out-of-pocket expenses incurred by them in the exercise of their office. The company will reimburse the members of the Supervisory Board for the value added tax payable on this remuneration.
- (5) The company will to a reasonable extent reimburse the Supervisory Board members the costs and expenses incurred by them as a result of further training measures necessary for their tasks in which they participated on their own responsibility.
- (6) The members of the Supervisory Board will be included in a D&O liability group insurance policy (if any) maintained by the company in favour of directors, officers and employees of the group, which may also provide for an adequate deductible. The premiums for this insurance policy will be borne by the company.
- (7) The basic remuneration is due and payable in four equal instalments, in each case after the end of a calendar quarter. The additional payments for activities on the committees will each be payable following the end of the calendar quarter in which the first meeting of the respective committee was held. The attendance fee will in each case be due and payable following the end of the respective calendar quarter for the meetings held in the expired calendar quarter.

- (2) The Annual General Meeting takes place in the first eight months of every financial year.

Article 14 **Convening of the General Meeting, participation right**

- (1) The General Meeting will be convened – to the extent no shorter notice period is permitted by law – at least thirty-six days prior to the day of the meeting. For the purpose of calculating the above period, the day of the meeting and the day of convening will not be counted.

- (4) Details regarding registration will be announced together with the convocation of the General Meeting in the company's publications.
- (5) The Board of Directors is authorized to provide that the shareholders may participate in a General Meeting without being personally present in situ and without appointing a proxy, and exercise some or all of their rights in whole or in part by means of electronic communication (online participation). These rules will be announced with the convening of the General Meeting.
- (6) The Board of Directors is authorized to provide that shareholders may cast their votes, even without participating in the General Meeting, in writing or by electronic means of communication (postal vote). The Board of Directors is furthermore entitled to determine rules concerning the procedure of the postal vote. These rules will be announced with the convening of the General Meeting.
- (7) Supervisory Board members may, in coordination with the chairperson of the Supervisory Board, participate in General

- (4) If elections held by the General Meeting fail to reach a simple majority of the votes cast in the first round, a second round of elections will be held between and limited to the two persons having received the largest number of votes. In this second round of voting the higher number of votes will be decisive. If the second round of voting results in a tie, the election will be decided by the chairperson by drawing lots.

- (2) The General Meeting resolves, in particular, on the appropriation of distributable profit, the approval of the acts of the Board of Directors and the Supervisory Board, the election of the Supervisory Board members and the auditor as well as, as the case may be, the adoption of the annual financial statements and the approval of the consolidated financial statements.
- (3) Unless otherwise provided by mandatory law or these Articles of Association or Section 103 (1) sentence 2 AktG, the General Meeting passes its resolutions by simple majority of the votes cast and, if a majority of capital is required, with a simple capital majority.
